

REMARKS

The specification and claims have been amended herewith to make more precise what is meant by cauliflower-shaped.

Also, the phrase "the conductor terminal" in claims 10 and 12 is made more precise.

It is believed that all of the formal objections are thus overcome.

The indication of allowability apart from formal matters is noted with thanks. The formal matters having thus been taken care of, it is accordingly believed that this application has been placed in condition for allowance, and reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
